

Meeting notes - 22nd February 2022

Minutes of previous meeting dated January 25th 2022 agreed and unanimously accepted. No actions arising.

Brief update of current NDP progress by Project Manager.

Brief verbal Finance update – nothing to report. When asked, it was stated that with respect to the current budget and future budget for 2022/23, there was nothing to worry about.

Agreed to approach APS for a detailed review of the NDP document and for an input to several areas of the plan. Apparently, there is money in the budget for this, albeit unknown the amount.
