

Meeting notes - 28th February 2023

Brief notes of the meeting dated 27th September 2022 available and accepted. No actions arising from previous meeting.

Project Manager gave an update on progress particularly with respect to receipt of the NDP document back from the proof-reader.

The SG working group is now addressing the comments received from the proof-reader and will produce an updated draft issue of the document. PM asked the SG members to review the document and comment where relevant.

Chairman agreed that a statement of the current Financial Budget situation for year 23/4 and a financial statement for completed year 22/23 would be made available for next meeting.
